RE:ID# C00000935 □

Democratic Congressional Campaign Committee - Expenditures ("DCCC")

RFAI Dated July 09, 2003, regarding:

12 Day Pre-General report (10/1/02 - 10/16/02)

□

Dear Mr. Ryan:

□

This letter is in response to your request for additional information regarding the above referenced report.

□

The DCCC did not make excessive coordinated expenditures. The committee received delegations from the Mississippi Democratic Party, the New Mexico Democratic Party, the Minnesota Democratic Party and the Pennsylvania Democratic Party's 441-a(d) limit that more than covered the amount of the expenditures in excess of \$35,910 for each of these candidates for the 2002 general election. No corrective action is required. The aggregate general election expenditure total for Bill Luther includes and expenditure made on April 30, 2002 in the amount of \$9,986.67.

□

The conduit activity listed on Schedule B for line 23 as memo entries were passed on directly to the campaigns in the form of the original contributor's check. As stated in the FEC Campaign Guide, the DCCC has itemized and cross-referenced the conduit activity on the appropriate line number for Schedule A as memo entries.

□

We have amended Schedule F for the above referenced report to include the identification of the designating committee, the payee's name and address, the purpose of the expenditure, the identification of the candidate supported, the office sought, state and district, the date and amount of the payment and the aggregate general election expenditure total for each candidate supported. □

□

We have also amended Schedule H2 for the above referenced report to provide a unique identifying code for all fundraising events. □

□

Thank you for your attention to this response. Please contact us if you have any questions at 202-863-1500.

□

Sincerely,

□

James J. Bonham
